US Ambassador to Vietnam

Mr. Daniel Kritenbrink

Dear US Ambassador to Vietnam, Mr. Daniel Kritenbrink, we know that in a very short time you will come to Santa Clara City, California, USA, for a meeting with some of the Vietnamese Americans.

Therefore, we would like to invite you to our San Jose City, California, home of the second largest population of the Vietnamese Americans in USA, and from here our Vietnamese American communities will have a great opportunity to welcome you and listen to your comprehensive viewpoints about our current Vietnam.

The meeting, the knowledgeable exchanges and interviews between you and our communities will be a profound and long lasting happiness to our Vietnamese Americans in San Jose.

We look forward to your accepting our invitation and please reply us.

Sincerely,

Hoang Hoa
