Dear Director of the San Jose Department of Transportation (DoT)

I am Hoang Hoa, would like to convey many thanks from our Vietnamese Community of Northern California to you and the Department for your recent assistance repairing, replacing and hanging some new Little Saigon San Jose banners on Story Rd., the main street of Little Saigon San Jose (LSSJ.)

I appreciate your concern and immediate support to our Vietnamese community and the small businesses in this area whilst the stormy weather is coming to our California, as well.

By the way, I would like to have your attention of the remaining LSSJ banners that the DoT is holding, and that please email me to know how many of them are left; so that, we can provide more new LSSJ banners as well as other needs, in case of the future assistance from the DoT. Many thanks.

Sincerely yours

Hoang Hoa
